

CONTENT CREATORS / INFLUENCERS

Description

Content Creators & Influencers

Build a digital universe that brands want to collaborate with.

We design creator-first digital identities, media kits, and booking ecosystems that transform your online presence into a professional brand — ready for sponsorships, partnerships, and long-term growth.

Case Study: — Creator Universe Hub —

Client Type: Lifestyle & beauty influencer

Goal: Centralize all platforms + create a professional hub for brand collaborations

What we built:

- Branded creator website with dynamic IG/TikTok embeds
- Interactive live media kit (dynamic follower stats, demographics)
- Booking system for brand deals, UGC packages, and appearances
- AI-stylized creator avatar used for promos
- Branded social graphics for monthly campaigns
- Mobile-first design optimized for PR agencies & brand managers

Tech & Tools:

WordPress • Elementor • TikTok/Instagram API • Monopoly Boy Booking • AI Avatar / Motion

Highlights:

- Increased brand deal conversions (easy booking funnel)
- Faster response for sponsorship requests
- Professional, polished digital identity that stands out

Services Used:

- Creator Branding & Identity
- Website + Media Kit
- AI Avatar & Animation
- Collaboration Booking Flow
